Introductory Letter (1)

Dear Member

We are in the process of re-launching The Bright Exchange with a new online system. Contact details (except for your street address) are available only to other members when logged on. The new system enables members to update personal profiles including Offers & Wants at any time, and also carry out Brights transactions online.

We are now at the point of releasing passwords to members and hope to complete this process in time to advertise a New Year Social in January 2017. If you definitely don't want to continue with Brights LETS, please let us know by an emailed reply to this message, or by phoning Deborah on 01273 731329, by Wednesday 28th December 2016 at the latest, otherwise we will assume that you are in!

Watch this space for further details of our re-launch. Best wishes for Christmas and the New Year from your Core Group, Deborah, Pat, Suzi, Maggie (and Mary)
